

European Concrete Award 2008

Introduction

In 200 the European Concrete Societies Network (ECSN) took the initiative to organize, biannually the European Concrete Award for Excellence in Concrete.

In 2002 the first European Concrete Awards were presented during the Austrian Concrete Days in March in Vienna. The ECSN is a network of Concrete Societies from Finland, Sweden, Norway, The United Kingdom, Ireland, The Netherlands, Belgium, France, Germany, Czech Republic and Italy.

Entries

Now the 2008 edition is organized.

There are two categories:

- Buildings and
- Civil Engineering.

Entries are put forward by the members, based on a national Concrete Award Competition in the respective countries. Entries have sent in and the Jury is reviewing all projects now. Underneath you have an an overview of the projects and the jury members

Announcing the Awards

The Awards will be announced during a special Award winning session, 14.00 – 15.30 hrs. 27 November, at the occasion of the 15th Czech Concrete Days in Hradec Kralove, a city close to the city of Prague. For those who wants to participate special transport is arranged at 09.00 hrs and 11.00 hrs. from Ruzyně Airport to bring you to the congress venue. After the special session the transport to the airport is foreseen.
